Theatrical Notes.

Miss Elizabeth Lea, who comes as Bonita in Arizona next week, is a cousin of Mr. Robertson Morrow, formerly of Paducah, and the talented young lady has a number of relatives here. She was here early last season supporting Mr. Harry Glazier in "Prince Otto," and her right name is Miss Elizabeth Miller, and her home in Natchez, Miss. She has won great success as a leading woman in many fine productions, and her many friends will be pleased to welcome her again. Her appearance is to be quite a social event.

This morning the management of The Kentucky made arrangements with the Jake Biederman Grocery and Bakery Co. to give away to each purchaser of paid 10c or 25c matinee ticket tomorrow afternoon one package of honeycomb candy beginning at 1:30 p. m., and Mr. English desires to take this method of announcing to all ladies and children of Paducah that this will be a splendid opportunity to get a package of the great Honeycomb candy free, and also to see the performance of "Maloney's Wedding Day" at the ridiculously small price of 10c for children and 25c for adults. It is expected that there will be quite a crowd and jam in the lobby of The Kentucky tomorrow afternoon before the doors are opened, and Mr. English advises all the ladies and children to come early.

ROBERTS' new store, 325 Broadway, the Palmer Racket store old stand, is the place to go to save money on your dry goods purchases.

UP-TO-DATE GIRLS

PADUCAH MAIDENS WEAR RUBBER BOOTS AND DON'T MIND.

Paducah girls seem willing to sacrifice appearances to convenience and comfort. A great many of our busy girls have taken to wearing rubber boots during wet weather. They cross the streets with their dresses elevated as high as they desire, and the young men can only gaze in obvious disappointment and wonder what the dear things will do next.

The streets are in such a miserable condition during wet weather and the mud is so thick and the water so deep, that rubber boots are a great thing for the girls, especially those who have to get about.

If all the young ladies go to wearing them, the street corner brigade that is so disgustingly curious will soon become a thing of the past.

ROBERTS has removed to the store formerly occupied by the Palmer Racket store, 325 Broadway, and will be found to have the best bargains in dry goods in Paducah.

BIG MEETING

RETAIL GROCERS WILL CONSIDER IMPORTANT MATTERS.

The Retail Grocers' association will meet this evening at Mr. E. W. Bockmon's grocery to consider the constitution and bylaws, which are now ready to be acted on.

It is probable that the matter of electing permanent officers of the corporation, and a purchasing agent and other important matters, will come up and be passed on. The meeting will be at Mr. Bockmon's because Central Labor hall will be used by the miners, who have a speaking there.

ROBERTS has removed to 325 Broadway, the Palmer Racket store stand, and is continuing to give the best bargains in dry goods in Paducah.

ELKS ELECTION

OFFICERS TO BE CHOSEN THREE WEEKS FROM LAST NIGHT.

A great deal of interest is being taken in the annual election of officers for Paducah lodge of Elks, which takes place the last Thursday this month, the 26th. In accordance with the rules, nominations were made for the various positions last night, and there is a goodly array of candidates out for the places. It cannot be told yet which officers will furnish the warmest contests but the promise is for a lively election.

COSTLY ADDITION.

A \$2500 CANOPY TO BE PLACED AT HOTEL LAGOMARSINO.

A design has just been completed by an eastern concern for a fine glass canopy that is to be placed in front of the entrance to Hotel Lagomarsino, at Second and Broadway. It will project six feet over the sidewalk from the building on the Broadway entrance and eight feet on the Second street entrance.

It will be something entirely new in Paducah, and will be magnificently mounted, the total cost being about \$2500. These glass canopies are so arranged that they reflect a powerful light into the building, instead of darkening it, as most canopies do. It will be placed up about the middle of April.

PROMOTERS DUE

MR. POTTER WILL ARRIVE TODAY FROM THE SOUTH.

There may be a meeting of the Elks executive committee this evening to confer with carnival company promoters. Mr. Potter, of the Bostock-Ferri company, wired today that he will be here this afternoon, and others are expected tonight or tomorrow.

The committee intends to hear them all and make the best possible contract. There are three or four in the field for the contract, and all are good companies which will guarantee the best of attractions.

NOT ENTHUSIASTIC.

CAIRO KNOWS WHAT PADUCAH WOULD DO TO HER.

It is said that the Cairo baseball enthusiasts are not taking such an interest in the league as is being taken in other cities, and Mr. Guy Eichenberger, who is manager for the Cairo team, is much discouraged. It is claimed by the local fans that Cairo does not care to enter the league on account of the victories won last year with its semi-professional team, which it does not desire to lose. A local fan stated this morning that he was surprised at the lack of enthusiasm in the Cairo matter, as Cairo and Paducah were the last teams to drop out of the Central league and both fought hard to win out in the end.

Flexibility of a "Dorothy Dodd"

EASY SOLES

IT IS SAID that the woman who goes to church with squeaky shoes goes to the right place, for her SOLES needs attention.

There is really a good deal about the sole of a woman's shoe that needs attention. You realize it if you stop to think how much you relieve the discomfort and "hardness" of shoes by making their soles flexible.

So far as I know (and I have taken pains to examine many different makes of shoes) the "Dorothy Dodd" is the one shoe for women that is really constructed with a flexible sole.

You can tell the difference as soon as a few steps have been taken. It means comfort. And a flexible sole, as rule, will out last any rigid sole—don't overlook that!
